...naturally!

GRASSFED BEEF

Manning Valley Naturally is Australia's most awarded grassfed beef.

Where the coastline meets the countryside, the Manning Valley region was founded on agriculture and is still renowned worldwide for its fresh produce. Located on the East Coast of Australia, it is here you'll find our cattle grazing amongst lush pastures and fertile soils.

As Australian Champion beef, our Manning Valley Naturally is:

- 100% grassfed
- 100% free of antibiotics and hormone growth promotants (HGP's)
- 100% free to roam and never confined to a feedlot
- 100% graded by Meat Standards Australia – a world-leading eating quality system
- 100% guaranteed for tenderness, juiciness and flavour

We are committed to providing the very best pasture to plate experience, so you can be assured that our beef is ethically-raised and fully traceable to our select family of cattle producers.

Experience the joy of eating Australia's most awarded grassfed beef ... Manning Valley Naturally.
